I, luke chilton, certify that I have caused the vehicle referred to in this Certificate to be examined and tested in accordance with the written directions given by the Secretary to the Department of Transport (the Secretary) and having regard to that examination and test do further certify that the vehicle complies with regulatory requirements including written directions given by the Secretary as to its construction and knowledge that this Certificate is current and can be used on a highway.

CONSUMER INFORMATION**Certificate of Roadworthiness Scheme**

The Certificate of Roadworthiness Scheme operates to minimise the use of unsafe vehicles on the road. A Certificate of Roadworthiness is required to be presented with an application to transfer the registration of a vehicle or application to register of an unregistered vehicle. A Certificate of Roadworthiness may also be requested to clear a Defect Notice Issued by a Police Officer or an Authorised Officer.

Certificate of Roadworthiness

An examining mechanic performs an examination and test of the vehicle within guidelines and directions given by the Secretary. If no cause for rejection is found a Certificate of Roadworthiness is issued by the Licensed Vehicle Tester. The Certificate is current and can be used for a transaction for a period of 30 days from the date of issue. A Certificate of Roadworthiness inspection is a check at the vehicle, to ensure that components have not worn or deteriorated to the extent that the vehicle may not be safe for normal road use. Consumers are strongly advised to obtain an independent comprehensive inspection report on the vehicle's overall condition before purchasing any used vehicle.
