- The buyer having failed to comply with Audis requirements regarding treatment, maintenance (in line with the manufacturer's service schedules) and care of the purchased item.

• The item not conforming to local country-specific requirements as a result of the item having been purchased offshore

• The part not having been fitted in accordance with the stipulations of Audi Australia Pty Ltd

To the extent permitted by law, these parts warranties do not include the reimbursement of any expenses incurred resulting from defect claimed under warranty. E.g. travel, accommodation or meals.

To the extent permitted by law, these parts warranties do not cover the loss of income or earnings, nor any cost arising out of the immobilisation of the vehicle.

- Service related adjustments
- Any items replaced as part of the service schedule
