Further Information

Taking delivery of vehicle from Customs

You may also use this letter to support customs clearance for these vehicles.

Supply to the market

Decision number: ADDEND54209

This vehicle may be supplied to the market in Australia in accordance with Section 16(1)(d) and regulation 7 of the Regulations if the import approval conditions (if any) specified above have been complied with. This means that you may sell or give the vehicle to another person to drive on public roads if you have complied with the conditions. Using the vehicle or giving it to another person to drive before the conditions are complied with may be an offence under the MVSA or State and Territory law. Please note the registration requirements section below.

Registration requirements

Import approval does not exempt these vehicles from State or Territory registration requirements. You should determine these requirements from the motor vehicle registration authority in the State or Territory where you intend to register the vehicle.

Offences

Serious offences apply if you import a vehicle or supply a vehicle to the market other than in accordance with the Act and this approval.

Importation of asbestos, or goods containing asbestos, to Australia is prohibited pursuant to Regulation 4C of the Customs (Prohibited Imports) Regulations 1956 unless a permission or exemption has been granted or a lawful exemption applies. For further information go to: <https://www.homeaffairs.gov.au/busi/cargo-support-trade-and-goods/importing-goods/prohibited-and-restricted/asbestos>
