IMPORTANT: FITMENT OF PARTS: All goods supplied by SMS Diesel Spares Pty Ltd must be checked by the purchaser and/or installer for correct suitability to the job prior to either job preparation and/or fitment. All tolerances must be checked and recorded during the assembly process to ensure they are within the manufacturer's specifications. The onus is clearly upon the purchaser and/or fitter to ensure that all parts supplied are both correct in physical appearance and dimensions in comparison to the parts being replaced. Any consequential damage caused by the fitment of incorrect parts or damage to parts due to fitment without checking the suitability and/or manufacturer's tolerances is totally the responsibility of the purchaser/fitter.
