Features

Benefits

Low Profile Edge Hob Design

The smooth one piece hob design impresses with its elegant low profile edge, available in either black or stainless steel. Design perfection.

Cast Iron Trivets

Complimenting the black glass design of the hob, whilst providing a non-slip surface for pots and pans.

High Performance Sabaf Burners with 14.7Mj Wok Burner

High quality Sabaf burners provide even heat distribution for great cooking results, whilst the 14.7Mj Wok burner offers powerful cooking for dishes such as stir-frying.

Automatic Ignition

Ease of operation, no need for manual ignition, simply twist the knob and the gas connection ignites.

Front Control Operation

Added safety while cooking as there is no need to lean over a naked flame to operate the controls.

Flame Failure

Extra safety in the kitchen offering peace of mind, the gas will shut off when there is no continuous flame.

Available in Natural Gas or Propane

The cooktop is supplied for natural gas installation, however can be converted for propane application (conversion kit supplied).
