

Having finished a recent restoration, this eye-popping metallic maroon and white colour combination makes this 5.0L EFI V8 XLT Bronco a real head-turner.

An outstanding gem that stands head and shoulders above other Broncos on today's market. Complementing the maroon exterior, the upholstery is also finished in a maroon velour trim including the headlining and carpets.

It has dual fuel (petrol and LPG), although the LPG is currently disconnected.

Main features are: Power Tailgate Window, External Factory Spare Wheel Carrier, Stainless Steel Muffler, Air Conditioning, Power Steering, Factory Ford/Pioneer Stereo/Cassette, Front Nudge Bar with Spot Lights, Original Chrome Bumper Bars with Front Overriders, Chrome Side Steps, Chrome Grill, Alloy Wheels with Open Country Toyo Tyres.

Dash pad is in excellent condition - no cracks.

Original centre console is in good condition.

Fastidiously maintained by previous owner of 10 years on VIC club rego.

A low kilometre vehicle showing just 111,872 on the odometer.

A very nice, rare and sought-after Aussie-built V8 classic!
