# 8kg Front Load *Innex* Washing Machine

## Features and Benefits:

### Innex Push & Wash

The best solution for your daily laundry. The press of one button replaces Switch on, Program selection and wash cycle start, completing an average daily 3.5kg wash cycle of cottons and synthetics in just 50 minutes.

### Special Wash Programs

6 Special wash Programs including; Sport mode specifically designed to take care of your lightly soiled gym and sports garments, Anti Odor to remove persistent odors from cottons or synthetics, Wool, Delicate & Dark Fabrics.

### Extra Large Porthole

At 48.5cm this is one of the largest portholes in the market which enables easy, ergonomic loading and unloading.

### Rapid cycles

3 Rapid Wash cycles. Including a 9 minute Quick Refresh, 30 minute wash & 60 minute wash. Also a Fast Forward option allows you to skip ahead to Rinse & Spin in 20 minutes.

### ECO cycles

Special ECO Wash cycles for Cottons & Synthetics to save water and energy.

### Water Balancing

Water is precious; a special load sensor automatically detects load size and then optimizes water usage during the whole cycle including rinse stage

### Delay Start

3 Delay Start options of 3, 6 or 9 hours to program the wash cycle to run at a more convenient time.

### Self-cleaning

Auto Self Clean mode maintains the inner parts of the washing machine to ensure maximum performance, recommended after every 40 wash cycles.

### Motor

Digital Inverter Technology Motor delivers; Less Noise, Better reliability, Better energy efficiency, Better high speed control
