

Notes:
 This plan was prepared for Mr Tony Bird and Macquarie Developments as a proposed concept stormwater strategy to accompany a subdivision application to Wellington Council and should not be used for any other purpose. The dimensions, areas and total number of lots shown hereon are subject to field survey and also to the requirements of council and to any other authority which may have requirements under any relevant legislation. In particular, no reliance should be placed on the information on this plan for any financial dealings involving the land. This note is an integral part of this plan.
