Features

Benefits

Smooth One Piece Hob Design

The smooth one piece hob design makes cleaning the cooktop so much easier, saving time and effort. Simply wipe over with a damp cloth.

Cast Iron Trivets

Complimenting the robust construction of the stainless steel unit, whilst providing a non-slip surface for pots and pans.

High Performance Burners with 13Mj Wok Burners

High quality burners provide even heat distribution for great cooking results, whilst the 13Mj Wok burners offers powerful cooking for dishes such as stir-frying.

Automatic Ignition

Ease of operation, no need for manual ignition, simply twist the knob and the gas connection ignites.

Front Control Operation

Added safety while cooking, as there is no need to lean over a naked flame to operate the controls.

Flame Failure (CG904WWXFFC model only)

Extra safety in the kitchen offering peace of mind, the gas will shut off when there is no continuous flame.

Available in Natural Gas or Propane

The cooktop is supplied adjusted for natural gas installation, however can be converted for propane application (conversion kit supplied).

Cooktop Burners

Natural Gas

Propane Gas

Wok burners:	13.0Mj/h	11.0Mj/h
Centre Front – semi-rapid:	5.4Mj/h	6.0Mj/h
Centre Back – semi-rapid:	5.4Mj/h	6.0Mj/h
